

HOW PRICING WORKS

Cashew and coconut rates move with the market, so this catalogue lists our full range of grades with MOQ and packaging, and rates are confirmed against each grade on request. WhatsApp this list to +91 91334 11145 with the grades and quantities you need — our team replies with current rates the same day, usually within a few hours.

Kaju (Cashew)

White cashew splits and pieces — graded from clean premium splits down to choora. Ideal for mithai, bakes, masala pastes, and everyday cooking.

GRADE	BEST FOR	RATE (PER KG)
Split — Premium	Clean, uniform half-kernels with minimal breakage. The top choice for garnishing mithai, biryani, and dishes where the cashew is visible.	Rs. 815/kg
Split — Economy	Half-kernels with slightly more variation — same taste, lower price. Ideal for everyday restaurant cooking and gravies.	Rs. 715/kg
LWP / 4PC	Large White Pieces (quarter kernels). Perfect for kaju katli, sweets, bakes, and any recipe where the nut is ground or chopped.	Rs. 700/kg
Choorā / BB	Fine bits and baby bits — the most economical grade. Made for masala pastes, sweet fillings, and powdered preparations.	Rs. 440/kg

MOQ: 10kg for most grades — premium splits from 5kg.

Packaging: Standard 25kg/50kg jute or PP bags. Vacuum packing available for premium splits on request; custom pack sizes for smaller quantities.

Coconut

Matured dry coconuts for South Indian cooking, coconut milk, and chutney — graded by weight.

GRADE	BEST FOR	RATE (PER KG)
Small (250g)	Compact nuts suited to chutneys and smaller-batch cooking — the most economical per-piece option.	Rs. 26/pc

GRADE	BEST FOR	RATE (PER KG)
Medium (350–400g)	The workhorse grade for restaurant kitchens — good meat yield for coconut milk, gravies, and everyday grinding.	Rs. 28/pc
Large (400g+)	Maximum meat per nut. Preferred by caterers and food units where yield per coconut matters most.	Rs. 30/pc

MOQ: 10kg per order; bulk lots available on request.

Packaging: Supplied loose or in gunny bags by count/weight. Bulk lots arranged with logistics for large orders.

Desiccated Coconut Powder

Finely grated from carefully selected fresh coconuts — hygienically processed and moisture-controlled to retain natural flavour, aroma, and texture. Perfect for sweets, bakery, curries, chutneys, snacks, and food manufacturing.

GRADE	BEST FOR	RATE (PER KG)
Fine	Smooth, powder-like cut that blends invisibly — for barfis, laddus, bakery fillings, and mixes.	Rs. 250/kg
Medium	The all-purpose cut for coatings, curries, chutney powders, and general kitchen use.	Rs. 245/kg
Coarse	Larger flakes with visible texture — for toppings, cookies, and snacks where you want the coconut to show.	Rs. 250/kg

MOQ: 10kg per order.

Packaging: Moisture-sealed bags in standard bulk sizes; custom pack sizes available for smaller requirements.
